# Campbell's "Imperial Chromatic" Concertina.

With 30 Keys, Broad Steel Reeds, extra handsome Fret-cut Rosewood Tops, and best Solid Morocco Bellows, fitted in Polished Mahogany Box, Cloth-lined, with good Lock and Key.

THIS superb CONCERTINA has a complete Chromatic Scale, and possesses qualities which have seldom hitherto been combined in a single Musical Instrument; and from the remarkable simplicity of its fingering, and the great facility with which its tones are produced and sustained, it is very easily learnt; and as it cannot be sounded out of tune, the most perfect crescendos and diminuendos may be obtained without the practice which is so requisite on other instruments. To these advantages may be added the peculiar beauty of its tones, and its extreme portability
